1. For the close I come, for the far away I come. I send you. I send Me. We go at midnight, before. And all is well in your household not, not. Thank you. I affirm, I reaffirm, I recount, I reassess and count you worthy; disdained not, disordered not, disarrayed not; but in My holiness I come, I call, I conquer her doubt, fear, unbelief, disbelief, wonderment and bewilderment. Tired of the past, ready for the future, I am, you are. We three are. I love you thee we. I love you and give you thee Me. See Me, take My hand and love you, love you, love you. Lovest thou Me? Oh thank you. See Me and see she Me'd. I love you her and all through you now who come.

2. Many come, many see. Many upset, riled, and wounded-thought by your devestment of things they've held dear, not realizing, they are.
They are the one.
They are the one.
They carry the child.
They are the root of Jesse.
They are My stump.
They are My branch and become the vine they will, if chosen, giving birth to many vines and branches, without number, innumerably, possible, if chosen.

3. Choose this day whom you will serve you do, all who read hear proclaim this in your ears/heart I do this day, moment, second of second. First of first in your mind must be now, this moment. See Me without delay. See Me. Open your mirror to see Me, NOW!

4. Think it not strange who comes in the name of the Lord, but which/whose Lord? Discern and perpetuate not evil with good intent surfaced, but heart black as soot. Amen. Say no and never look back/think twice.
Let not your heart be troubled by troublemakers/troubleseekers, scienter'd ones who know Me not and in My temple have not come except to exploit and cavern-ize make of hollow souls who immature are and eat twice eaten food before.
Amen not, discern and cast out, away, protect My lambs and leadership leads, Ted. Leadership leads successors.
Leadership is to lead in Me and protect My lambs from wolves who come in the name of the Lord supposedly; espousing, espoused not. Liars.

5. You have tall orders/big shoes to fill, Mine. All you need is My voice, purity, holiness, meekness, righteousness, holiness, righteousness, purity, integrity, integrity, respect, holiness, meekness; love is. I love you Me-er. Amen.

6. Shall the candlestick say to the candlestick maker, I want to be like you? I want to make candles, candles, candles.
Can the candlestick say to the candlemaker, make me a candlemaker so I can make candles?
Can the candlemaker trust the candlestick? What do you do now? Whose quest, whose questions, and who answers?
I ask. I answer. No.

7. Can the candlemaker ask the candlestick to be a candlemaker, give him a pattern and entrance and nurture, mentor, train, proclaim him candlemaker? Yes. Amen.

8. Thank you for writing only what I want.

9. I kiss you.
Good night.

10. I embrace My word.
My beauty increases.
Accelerates, all does.
Now. Almost finished.
Ready to begin.
Explode.

Me
